

2006 First Place Battery Award

GP4300 Professional R/C Hobby Battery

Satisfying your hard-to-please customers is easy - give them the best. And GP has what they want. Team Orion's GP4300 V-Max Plus RDS has just been voted 'FIRST PLACE BATTERY' in the 2006 Reader's Choice Awards presented by Air Age Publishing and Radio Control Car Action Magazine. What's more, GP's hobby batteries have been chosen as winners of this award for four years in a row since 2003!

The all-new super battery is designed for maximum performance for champion racers as well as hobbyists. With enhanced punch power and high MPV, GP4300 provides a vigorous, enduring level of performance that overtakes competitors in top international competitions. GP4300 is the battery with the extra spurt of power that customers prefer.

Features:

- Approved by BRCA, EFRA, IFMAR • High MPV • Consistent power
- Low internal resistance • High rate of charging & discharging
